

## Husqvarna Aspire™ Storage Rail

Conveniently and neatly organise your garden tools in limited space with this wall mounted storage rail. Smart, effective storage for the Husqvarna Aspire range. Each rail is 640 mm wide, so as your tool collection grows, simply extend with more rails. The 3 mm aluminium oxide ensures your storage is as premium and robust as your tools. Every Aspire product comes with a tailor-made hook to fit this wall rack. Also compatible with the Husqvarna Aspire Storage Hook kit for all your gardening tools, such as hand tools, water hose or broom. Screws, plastic plugs and end caps are included to mount the rail with a clean finished look.
