

Two stroke oil, XP[®] Synthetic

Husqvarna's fully synthetic and biodegradable (64% acc OESD301B) XP Synthetic 2-stroke oil is developed for tough use with high loads and engine speed. The low smoke oil gives extremely good lubrication, a cleaner engine and less coating on the piston and in the crankcase compared to competing oils. Appropriate for all Husqvarna 2-stroke products, especially for engines with a cylinder volume over 55 cm³.

Crown logo

The cap has the Husqvarna crown improve prevention against copy cats.

Always the right dosage

The transportation pipe is located on the inside, prevents over dosage. The cup is located closer to the filling side, which gives improved pouring.

FEATURES

- Improved pouring and over dosage prevention
- Improved protection against copy cats

Technical Specifications	
DIMENSIONS	
Article gross weight	1035 g
Article net weight	1035 g
Volume	1L
LUBRICANTS	
Biodegradable	Yes
Biodegradable according to OECD301B	64 %
Fully synthetic	Yes
