

13" X-Force Laminated bar .325" 1.3mm PIXEL Small bar mount

More durability, less weight and superior performance – the Husqvarna X-Force guide bars have been developed together with the X-Cut chains to get the best possible performance out of your Husqvarna chainsaw. A smooth, optimized profile, outstanding durability in the nose and bearing system, and an optimized centre plate design provides minimum downtime and maximum results. 13" X-Force Pro Laminated Bar 0.325" 1.3mm.

FEATURES
