

## HUSQVARNA R 112iC

This battery-powered rider lawnmower delivers Husqvarna performance and comfort, without engine noise. The efficient electric motor and Li-Ion battery cuts up to 4700m<sup>2</sup> per charge. The PowerBoost™ feature automatically sets the optimal output to ensure great cutting results in all conditions. Intuitive controls make it easy to operate and the articulated steering enables smooth, tight turns. In addition to delivering a perfectly cut lawn, this battery rider is an excellent multi-purpose tool that can solve many tasks in your garden. A wide range of accessories and attachments are available.

### Low noise

Battery-power means silent operation and improved user comfort as well as less noise impact on neighbours.

### Low maintenance

The Rider Battery requires less maintenance compared to a petrol machine. No fuel, no oil and no belt service.

### Power-Conserving savE™ Mode

Choose between normal or savE™ mode, depending on conditions, for maximum power or maximum runtime. Either way, you'll always get a perfect result.

### Combi cutting deck with BioClip® (mulching)

BioClip® (mulching) provides perhaps the best cutting result on the market on frequently cut areas. The grass is cut into fine pieces that quickly turn into fertiliser.

## FEATURES

- Choose savE™ mode for maximum runtime
- The Rider Battery requires less maintenance compared to a petrol machine. No fuel, no oil and no belt service.
- Battery-power means silent operation and improved user comfort as well as less noise impact on neighbours.
- BioClip® (mulching) mode for frequently cut areas
- Controls are easy accessible and designed for optimum user comfort.
- The blades are engaged automatically, when you lower the cutting deck.
- Pivoting rear axle for maximum traction
- Efficient rear-wheel drive system
- Equally sized wheels for a comfortable ride
- The Combi cutting deck offers the versatility of two different cutting systems. Choose between BioClip® for lawn fertilisation and rear ejection for efficient mowing on areas with higher and rougher grass.
- Convenient bottle holder for refreshments.
- Articulated steering for excellent manoeuvrability

Technical Specifications	
<b>BATTERY</b>	
Battery charger	PS 300T
Battery capacity	38.5 Ah
Battery manufacturer	Husqvarna
Battery pack weight	17 kg
Battery type	Lithium Ion
Battery voltage	50.4 V
Quantity of batteries/battery pack	1 pcs
<b>DIMENSIONS</b>	
Article gross weight	161000 g
Article net weight	161000 g
Base machine, height	106.9 cm
Base machine, length	211.9 cm
Base machine, width	88.3 cm
Cutting height steps	5
Ground clearance	90 mm
Seat back height	Medium
Tyre dimensions, front	155/50-8
Tyre dimensions, rear	155/50-8
Weight incl. cutting deck	161 kg
<b>EQUIPMENT</b>	
Blade engagement	Electric
Blades	2 pcs
Cup holder	Yes
Cutting height adjustment	Lever on cutting deck
Drive method	Dual pedal-operation
Drive system	Rear wheel drive
Foldable seat	Yes
Wheelbase	80 cm
<b>LUBRICANTS</b>	
Power/fuel type	Battery
<b>MATERIALS</b>	
Master pack: Paper + Cardboard	0 g
Metal total	0 g
Paper + Cardboard total	0 g
PE total	0 g
PET total	0 g
Plastic foil	0 g
Plastic rigid	0 g
Plastic total	0 g
PS/EPS/HIPS total	0 g
<b>PACKAGING</b>	
Packaging height	980 mm
Packaging length	2310 mm
Packaging volume	2535 dm <sup>3</sup>
Packaging width	1120 mm
Quantity in Master pack	1
<b>SOUND AND NOISE</b>	
Sound power level, guaranteed (LWA)	96 dB(A)
Sound power level, measured	93.3 dB(A)
Sound pressure level at operators ear	80 dB(A)
<b>VIBRATION</b>	
Vibration level seat	0.27 m/s <sup>2</sup>
Vibration level steering wheel	0.1 m/s <sup>2</sup>
