

Husqvarna 525RX Mark II

Husqvarna 525RX Mark II is a powerful, lightweight 25cc petrol brushcutter for professional use. Equipped with a large fuel tank for extended runtime. This robust, well-balanced brushcutter is designed for frequent trimming work. The large cutting width increases productivity. Connects easily to Husqvarna FleetServices with the connectivity device available as accessory. Comes with harness Balance 35, trimmer head and 4-tooth grass blade.

Intuitive controls

The choke and purge are easy to reach and understand.

Large fuel tank

The 0.65l fuel tank enables longer runtime. Improved productivity as fewer time-consuming stops for refueling are necessary.

'The Husqvarna X-Torq® engine combined with a market leading cutting diameter offers outstanding cutting capacity.

Connectivity ready

Dedicated space for Husqvarna connectivity device, which enables easy connection to digital services such as Husqvarna FleetServices.

FEATURES

- Cut more in less time
- Longer runtime for improved productivity
- Intuitive controls for easy operation
- Compatible with digital services
- Easier troubleshooting
- High durability and decreased service costs
- High hande bar, more leg space
- For less tiresom work
- Adjustable handlebar for best comfort
- Offset handle bar for best comfort

- Powerful 50cc X-TORQ® engine reduces emissions by up to 60% and increases fuel efficiency by up to 20%
- Less wear and service costs
- Easy to service and maintain starter
- Stop switch automatically resets to ON so trimmer is ready for next use
- Air purge removes air from carburetor and fuel system for easy starting
- Grass bevel gear for best cutting performance
- Tap 'n' Go trimmer head is easy to use and refill
- Versatile use with combi guard
