

HUSQVARNA LC 142i with battery and charger

Husqvarna LC 142i kit is a compact and lightweight battery lawn mower that's very easy to use. The LC 142i is a good choice for getting smooth and swift results. Super-easy to start, just push the bail and go! This electric cordless lawn mower is ideal for small to medium-sized gardens or for trimming smaller complex areas. Features the SavE™ mode for a great cut with less energy. Compatible with our 36V battery system.

Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

Lifting handle front and rear

Easy grip in front and rear for lifting into storage, the car or carrying up stairs.

Ergonomic handle

Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

Foldable handle

For simplified storage and transportation.

FEATURES

- Ergonomic handle
- Lifting handle front and rear
- Central cutting height adjustment
- Foldable handle for easy storage and transportation
- The low noise provides a comfortable work situation and low disturbance for others.
- PowerBoost - extra power when needed
- Choose savE™ mode for maximum runtime
- Start the lawnmower by removing the bailstop and pulling the bail down and stop the engine by letting go
- Product folds really flat, taking up minimal storage space
- This product does not emit CO emissions during use.
