The Husqvarna Aspire battery powered tools has been developed with limited space in mind. ### POWER FOR ALL ALLIANCE battery system

The Husqvarna Aspire™ range is powered by the 18V POWER FOR ALL ALLIANCE battery system. Available in two sizes, these batteries have been optimised for Aspire™ tools for improved power, efficient runtime and balanced weight. They are also 100% compatible with many leading home and garden brands and their products, giving you greater flexibility to use one battery for more products. Automower Aspire™ R4 has a built-in battery and does not use the POWER FOR ALL ALLIANCE battery system.

### Compact Storage

Naturally compact and light, the footprint of Husqvarna Aspire™ tools becomes even less thanks to adjustable, foldable, collapsible or detachable parts – for easy storage and transport in tight spaces like small sheds or cars.
